**Touch**  
your partner, move as one.

You can't touch. You've got to get the rhythm in your body. Learn to speak the language of touch. Learn to move with your partner. If you know how you see it, you can do it.

Try our new method of dancing. It's the only one that's been around for over 50 years. The rest is just a bunch of old-fashioned Arthur Murray's. Please try it.

YOUR DEMONSTRATION LESSON IS FREE.
