Don't forget to plan for
concealed telephone con-
duit and convenient loca-
tions for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during con-

Two friendly telephone habits . . . quick to answer when your telephone rings; SLOW to hang up when you call someone who does not immediately respond. When calling others, remember that the called person may be at most there . . . so wait a few seconds longer.
