ADD TO FINAL RINSE
When used, most fabric softeners
should be added only to the final
rinse because of their incompati-
bility with other laundry ingredi-
ents.

Your home has several liv-

MORE INSTANT COFFEE USED
Canadians are drinking less coffee, or at least using fewer beans, than in the late 1940's. Part of the drop is due to introduction of instant coffee during the 1950's. Instant products now make up nearly one-fifth of total coffee consumption.
