FORMERLY RUSTKOTE OF CANADA LTD.

265-4766 • 264-7951

We could name a lot more, but you get the idea. Sometime within the next few years, you'll probably see rust spots cropping up on your new car.

Ziebart can protect against this.

We don't just undercoat. We get inside the boxed-in sections of your car's body with our nine patented spray tools. We coat vulnerable metal with a unique sealant that actually creeps into welded seams and protects rust-prone areas.
