Replace Your Receiver Carefully

Have you tried the handiest shopping center in town? It's right at your elbow—the Yellow Pages of your telephone book. Quick "Yellow Pages" have solved many a buyer's problems. Let them help you get in touch with almost everyone you need who sells things, does things, fixes things.

REPAIR SERVICE

When one of the many household articles gets out of order, you will find a repair service quickly and easily when you

SAFETY FIRST
Always let the cold tap run for a
few seconds before placing your
child in the tub . . . then if he ac-
cidentally turns on the tap, he won't
scald himself.

The **YELLOW PAGES** place
your name and telephone
number before the Buyer at the
very moment he wants what
you have to sell.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Keep watching the dial . . .
 and you'll dial accurately.
 Remember to pull the
 finger all the way to the
 stop . . . let the dial return
 at its own speed. Speeding
 up or slowing down the
 dial's return may interfere
 with perfect operation of
 the equipment for you.
