Remember, don't dial until you  
hear the dial tone.

A store may not immediately  
come to the mind of a prospect  
when special services are de-  
sired; such as are offered by a  
Beauty Salon, Radio or Watch  
Repairing Department. Many  
establishments, realizing this,  
advertise under several clas-

## 4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can build closer relations with customers.
- 3 You can use tact in delicate situations.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.
