Have the right number  
when you call. It's natural  
to trust to memory — but  
when memory plays tricks  
with a telephone number,  
you're delayed. When you  
are not sure of a number  
won't you look it up in the  
telephone directory?

Would you like a separate  
business listing under your  
own name in the Tele-  
phone Directory? Does  
anyone in your business or  
home wish a personal list-  
ing? The charge for extra  
listings is small, the  
convenience often great.
