**MORE INSTANT COFFEE USED**  
Canadians are drinking less coffee, or at least using fewer beans, than in the late 1940's. Part of the drop is due to introduction of instant coffee during the 1950's. Instant products now make up nearly one-fifth of total coffee consumption.

Every employee of the  
 Telephone Company carries  
 an identification card.  
 We suggest that you refuse  
 access to your premises to  
 anyone who represents  
 himself as from the tele-  
 phone company, but who  
 cannot so identify himself.

If You Have  
**RECENTLY MOVED**  
 into a neighborhood and  
 want to find nearby stores  
 selling certain commodities  
 or services, look in the  
**YELLOW PAGES**  
 ... they will tell you
