**4 GOOD REASONS FOR  
 HANDLING COMPLAINTS  
 BY LONG DISTANCE**

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can build closer relations with customers.
- 3 You can use tact in delicate situations.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.

Your telephone: a world of  
value at your fingertips.

HOW  
MUCH  
IS A CALL  
WORTH ?

A telephone call can mean  
little or can mean saving  
a life. And who can put a  
money value on even a  
cheery "hello."
