A store may not immediately come to the mind of a prospect when special services are desired; such as are offered by a Beauty Salon, Radio or Watch Repairing Department. Many establishments, realizing this, advertise under several classifications in the Classified Telephone Directory. Thus they direct more business their way.

Speaking of girls...
 You'll find none more competent, more friendly, more dependable than the girls behind your telephone. They're proud of the important part they play . . . and we're proud of them, because "The Voice with a Smile" is everywhere the symbol of good telephone service.

Euro Wrap

European Wrap/Figure Salon
 Immediate Inch Loss
 Cellulite Control

Our unique wrapping method re-
 contours the figure. Reduces
 inches while you relax. The
 glamour tapes do the work, on hips,
 arms, thighs, tummy and other
 problem areas.

A trial treatment is recommended.
 Your very first treatment begins
 the toning, firming and inch loss.
 The body firms and tightens more
 with each wrapping session until
 we re-contour your overall figure
 proportions.
