**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can build closer relations with customers.
- 3 You can use tact in delicate situations.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.

Every employee of the
Telephone Company carries
an identification card.
We suggest that you refuse
access to your premises to
anyone who represents
himself as from the tele-
phone company, but who
cannot so identify himself.

**Over 2800
independent agents
choose to represent
Royal Insurance.**

No one understands insurance better than
independent agents. Simply because they can
be objective about the different types of
coverage offered by various companies. Ask
an independent agent about Royal Insurance
or call our Consumer Information number
for an agent near you. You'll get a lot of good
reasons why Royal is the largest insurer
in Canada of homes, cars and businesses.

Have the right number when you call. It's natural to trust to memory — but when memory plays tricks with a telephone number, you're delayed. When you are not sure of a number won't you look it up in the telephone directory?

STAINS PHONE

Take care when using a ball-point
pen near your telephone, especially
if it is a light colored one. Ink on the
plastic cover or the cord leaves a
