Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

**TAKE THE SHORT-CUT**  
When you can't shop in person use the **YELLOW PAGES** of your Telephone Directory to locate dealers and **SHOP BY TELEPHONE.**

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.
