Don't forget to plan for  
 concealed telephone conduit  
 and convenient locations  
 for telephone outlets  
 when you build your new  
 home. These built-in tele-  
 phone facilities add real  
 value to a home yet their  
 cost is very small if they  
 are installed during  
 construction.

Don't forget to plan for  
 concealed telephone conduit  
 and convenient locations  
 for telephone outlets  
 when you build your new  
 home. These built-in tele-  
 phone facilities add real  
 value to a home yet their  
 cost is very small if they  
 are installed during  
 construction.
