4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

LONG DISTANCE CAN IMPROVE YOUR COLLECTIONS AT LOW COST
You talk with the person in authority.
You can handle situations too delicate to handle in writing.
You get the real reasons for non-payment.
You can settle complaints ... make adjustments.
