**4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE**

You can talk over matters at once.  
Promptness often prevents loss of  
a customer.  
You can build closer relations with  
customers.  
You can use tact in delicate situa-  
tions. And because people talk more  
freely than they write, you can fre-  
quently trace the real reason for the  
complaint and prevent similar com-  
plaints in the future.

**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**

You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Who makes it —  
 Who sells it —  
 Who services it —  
 These YELLOW PAGES list them all conveniently by business classification.
