4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Telephone service is a friendly service. The people who operate and maintain it take a genuine satisfaction in serving you pleasantly and well. People who use the telephone a great deal find that friendliness is an instinctive habit. The telephone helps folks to know each other better.

LONG DISTANCE CAN IMPROVE YOUR COLLECTIONS AT LOW COST

- You talk with the person in authority.
- You can handle situations too delicate to handle in writing.
- You get the real reasons for non-payment.
- You can settle complaints . . . make adjustments.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Put more sell in your selling day - with an advertisement in the Yellow Pages, you can reach more prospective customers by advertising in this handy buyer's guide. Thousands of people regularly use the "Yellow Pages" as an answer to their buying needs. If you have a product to sell, or a service to offer, here's the place to tell your prospects about it.
