Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.

BEWARE OF IMITATORS

- 1 INTRA CANADA TELECOMMUNICATIONS
- 2 CLASSIFIED DIRECTORY PUBLISHERS
- 3 DIRECTORY PUBLISHERS OF CANADA

A number of directory firms including those named above annually send out mailings to Alberta businesses. Some of these firms actually include a cut-out of an ad taken out of AGT Directory Yellow Pages directories.

These firms are in no way associated with AGT Ltd. or the directories published by AGT Directory. Some of the ways you can detect the imitators are:

★ AGT DIRECTORY DOES NOT send out a solicitation form which resembles an invoice.

★ AGT DIRECTORY DOES NOT under normal circumstances, request payment in advance of publishing.

★ AGT DIRECTORY DOES NOT request payments to be sent out of province.

★ AGT DIRECTORY PROVIDES directories to all telephone subscribers, not just those who advertise.

Caution should be exercised and material read carefully. If in doubt, please call Yellow Pages Customer Service 530-5400. If outside Calgary, call 1-800-661-4260.
