We can make the web work for you

Expand your new business opportunities on the Internet with the help of our experienced web experts. We specialize in complete website development and maintenance and can build a website for you regardless of the size of your budget. We handle all the technical details and our award winning design team can develop everything from simple text pages to multimedia events with full sound and video. Don't be daunted by technology. We'll help your business grow into the next century. We can also:

- enhance your listing with links to your web page, display ad and e-mail address.
- visitors can find you by company name, keyword, heading and region.
- your listing in the TELUS *Yellow Pages*™ also appears on our website – *alberta.com* with over 1.5 million page visits a month.

For more information visit our website at www.teluswebsolutions.com, e-mail us at sales@alberta.com or call us at 1-800-661-4260 or 441-2422 in the Edmonton area. TELUS Advertising Services.

Western Canada's leading Internet Service Provider makes it easy to go online...

telus.net

(formerly known as TELUS PLANet)

Internet Service has all the advantages.

- The right Internet service package to suit your needs for your home, home office or small business
- Reliable connections and service you can count on from TELUS
- Professional, friendly technical support, 24 hours a day, 7 days a week
- 56K dial access everywhere in Alberta
- Price plans & payment options to suit your needs
