ACCIDENT INJURY & FATALITY CLAIMS

"If you are seriously injured I will personally meet with you to answer your concerns without obligation"

James H. Brown

We Get Results!

James Brown's sports career ended when he suffered a broken neck in a head-on collision with an uninsured motorist. He understands the pain and suffering caused by tragic accidents and has hand-picked a team of experienced professionals, including former insurance defense lawyers, committed to assisting injured persons and their families.

CATASTROPHIC INJURIES

Serious injuries change your life forever. Money can't take away the hurt but it can help you rebuild your life. One of our brain injured clients, the victim of a drunk driver, now leads a productive and independent life after receiving a recent multi-million dollar settlement, one of the largest settlements ever achieved in Alberta for this type of injury. Each year we assist persons who have suffered traumatic brain injury, quadriplegia or other tragic injuries. Put our experience to work for you.

WRONGFUL DEATH

Accidents involving loss of life require experienced legal counsel. Each year our firm assists numerous families who have suffered the loss of a loved one. We invite you to put our professional team to work for you.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE
 You can talk over matters at once. Promptness often prevents loss of a customer.
 You can build closer relations with customers.
 You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
