30 Years  
in the  
Successful  
Treatment  
of Chronic  
Diseases,  
Including  
Adjust-  
ments of  
the hips

Chiropractic is the most  
modern and popular drugless  
system of treating the human  
body known in the world today.

Before accepting any case for  
treatment and adjustment we  
examine and make sure whether  
or not we can help you. We  
then determine the time re-  
quired, and the cost for com-  
plete treatment and adjustment.

We find it necessary to  
X-ray approximately half of  
those who come in for exam-  
ination. If we cannot help you,  
we will refer you to another  
doctor, who in our opinion can  
be of assistance to you.

EXAMINATION IS FREE
