CANADIAN NATURAL HEALTH CLINIC

NATUROPATHIC TREATMENTS

NATUROPATHY is a distinct system of healing based on the theory that under normal conditions of natural living the body is a self recuperating organism. The Naturopathic Physician knows what constitutes natural living and is able to detect where and how any departure from the normal or natural has taken place. He then applies his knowledge and skill, aided by the required powers and sources of nature to bring about a return to normal or natural. Your Naturopathic Physician, a licensed Doctor, is trained to give intelligent assistance and advice for the restoration of health by natural methods.
