Duracleaned in your home by handcraftsmen

... 'tis a joy & convenience to have a Duraclean fabric specialist take over your cleaning problems. You watch colors revive . . . soil disappear . . . many stains vanish. You see the pile rise . . . & fabrics re-enliven. A few hours later, furnishings are again in use. Absorbent aerated foam eliminates the usual scrubbing, soaking and hazard of shrinkage. Upholstery, orientals, twist weaves, tacked down carpets and antiques may be cleaned and revived with a new safety. Twenty years of customer satisfaction has spread Duraclean service from the arctic of Alaska to the tropics of South Africa. Millions of homes, offices and institutions can now enjoy this worldwide service. You'll be delighted with Duraclean service . . . and surprised at the low cost.
