There is one asset your telephone system has which isn't listed on its books. It's important. Some call it tradition—the "spirit of service". Whatever it is one thing is sure. No one can work in the telephone industry long without catching it. Your country has the finest telephone service in the world because of it. A service it pays you to use.

Do you know that these pages contain thousands of business, service and professional people in "easy-to-find" classified form? You can save time using the YELLOW PAGES — to buy — to shop — to make appointments.

Would you like your share of business from customers in your neighborhood? Then why not advertise in the CLASSIFIED TELEPHONE DIRECTORY? You can call the business office of the Telephone System and ask for a Directory Advertising Representative. He can help you plan an effective advertising campaign.

MEMORIES
ARE MIGHTY
SHORT

When a name RECOMMENDED
has been FORGOTTEN . . .

Find it Fast
In The
Yellow Pages

You remember the recommendation but don't remember the name. If you'll look in the YELLOW PAGES you'll probably recognize the name when you see it — and when you call the firm, tell them you found their name in the YELLOW PAGES.
