There is one asset your telephone system has which isn't listed on it's books. It's important. Some call it tradition—the "spirit of service". Whatever it is one thing is sure. No one can work in the telephone industry long without catching it. Your country has the finest telephone service in the world because of it. A service it pays you to use.

Advertise to people who are ready to buy. The **YELLOW PAGES** are within easy reach of prospects 24 hours a day, every day, in homes, offices, stores and factories. They reach newcomers in town — remind old customers, too. Put this famous buying guide to work for you. It's economical and it gets results.
