We in the telephone business never forget that behind every telephone number there are people — people who depend on us for swift, accurate, dependable telephone service. It is our aim to keep service as friendly as we can make it.

To find an Authorized Sales and Service Dealer when you want the "genuine" in a nationally-advertised product or service, look in the Yellow PAGES, they tell "Where to Buy It", and "when you buy it" be sure to tell the firm you select you found his name in the classified.
