Would you like to get your share of business from customers in your neighborhood? Then why not advertise in the Classified Telephone Directory? You can call the business office of the Telephone Company and ask for a Directory Advertising Representative. He can help you plan an effective message.

To find an Authorized Sales and Service Dealer when you want the "genuine" in a nationally-advertised product or service, look in the Yellow PAGES, they'll tell "Where to Buy It", and "when you buy it" be sure and tell the firm you select, you found his name in the classified.
