The men and women of your Telephone System are conditioned to conquering emergencies and are trained to carry on in times of special need. For years they have known the test of fire, flood and storm. Always before them is the telephone industry tradition that the "message must go through".

"Looking it up in the YELLOW PAGES" is a national habit. Purchasing Agents, Production Men and Engineers . . . as well as Housewives . . . refer to the YELLOW PAGES when they're ready to buy.
