The men and women of your Telephone System are conditioned to conquering emergencies and are trained to carry on in times of special need. For years they have known the test of fire, flood and storm. Always before them is the telephone industry tradition that the "message must go through".

To find an Authorized Sales and Service Dealer when you want the "genuine" in a nationally-advertised product or service, look in the YELLOW PAGES, they tell "Where to Buy It" and "when to buy it", be sure and tell the firm you select you found his name in the classified.
