Gregory's

Confidence. You're given a time-cost estimate and "sample" treatment, so you know what to expect. You benefit from experience, research, specialization of world's largest electrolysis organization.

Comfort. Gentle career technicians give you the "Red Carpet Treatment," with hot and cold packs, special skin care preparations, other exclusive Gregory "extras."

Affordable Cost. Clearance is so fast and easy that many facial clients then have arms, legs, or other large areas cleared of offensive hair. See why Gregory electrolysis is the standard of comparison.
