Solid Pine
Reproductions
Of Early
Canadian
Furniture

The classic lines of Canadian country furniture of over a century ago, authentically reproduced in solid, hand-worked pine and hardwoods. Joints locked with dovetails, mortise and tenons and other wood-into-wood joining techniques. Massive turnings of solid pine tapering smoothly to delicate finials. — And everywhere the warm sheen on handstained and hand-rubbed surfaces.

The men and women of your Telephone System are conditioned to conquering emergencies and are trained to carry on in times of special need. For years they have known the test of fire, flood and storm. Always before them is the telephone industry tradition that the "message must go through".
