# BUDGET

## CARPET CLEANING

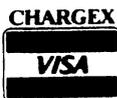

453-5668

Call us today! Budget's trained specialists with a modern, truck-mounted steam cleaning plant will come right to your door. Pure and efficient steam is pumped from the truck into your home where it goes to work on your dirty carpets. Then the soiled moisture is returned to the truck. This means no fuss and no muss in your home. Steam is quick, pure and safe for the fibre and colour of your precious carpeting. It will effectively remove harmful and dulling residues left by conventional chemical cleaning methods.

- WALL TO WALL CARPETING

**RESIDENTIAL - COMMERCIAL - INSTITUTIONAL**

**Introducing The New Mobile Unit**

**NO HEAVY NOISY EQUIPMENT IN YOUR HOUSE, ALL THAT STAYS OUTSIDE. ON THE STREET. ONLY THE HOSES & NOZZLE WITH 3 TIMES THE NORMAL CLEANING POWER COMES IN YOUR HOUSE.**

#### **CARPETS LOOK LIKE NEW**

No amount of vacuuming will get your carpets really clean. Superior cleaning requires hot water. Hot cleaning solution at high pressure loosens deeply imbedded dirt. A powerful vacuum removes loosened dirt leaving carpet clean, fluffy, almost like new.

#### **CARPETS COME TO LIFE**

We soften the water to eliminate hard water residue, leaving the carpet soft and resilient. You can actually feel the newness.

#### **PROTECTS FAMILY'S HEALTH**

Thorough cleaning removes dust and dirt from heavily soiled areas where germs could grow. Often welcome relief for dust-type allergy sufferers.

#### **CARPETS LAST LONGER**

Thorough removal of imbedded abrasive soil from carpet fibers actually extends the life of your carpet.

#### **WE TAKE THE DIRT WITH US**

Loosened dirt is pumped back to our truck and taken away, not emptied down your drain.

#### **WORRY FREE**

All employees are bonded and insured for your further peace of mind.

#### **WALK ON IT TONIGHT**

You can usually walk on your carpet in 6 to 8 hours instead of 24 hours or longer if done by other methods.

#### **STAYS CLEANER LONGER**

Our mobile plant generates five times more power than plug-in units for deeper cleaning. Removes deep-down dirt and residue from previous shampooing. Keeps carpet cleaner longer.

#### **THE PRIDE WAY**

You take pride in your house. So we take pride in the skill and care we put into our work. That's why our Mobile Plant Service is the ultimate in carpet cleaning

# Quinn Professional Carpet Care Ltd.

There is Only **ONE** Way To Clean Your Carpets

THE "Professional" WAY

**WHY?**

Because:

a) We believe that you **MUST**  
 'WASH' first (and our special  
 shampoos are gentle, have  
 germicides and color brighteners)

And:

b) You **MUST** then RINSE IT CLEAN  
 (our incredible second step does just that)

Why are our PRICES so very LOW?  
 Why can we give a Written Guarantee?

## COLD STEAM

is our answer

COIT  
COIT**

Now Coit's Electro-Jet® carpet cleaning is better than ever before.

Coit's mobile carpet cleaning plant comes to your home.

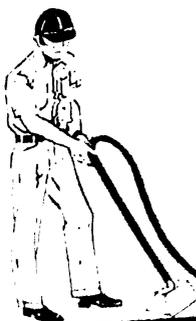

Deep down Grit, at the base of your carpet fibers, can destroy your carpet. Coit's mobile Electro-Jet® carpet cleaning plant generates its own vacuum power, electricity and heat to reach further down into carpets and get Grit clean out. Coit can save your carpets. The power plant can come to your home.

More power than any in-home method. Phone for free estimate.

## if you ignore your carpet long enough

Because it doesn't take long for hidden soil to become visible, and soon serious wear to take place. After that, it's downhill all the way. Let Service-Master remove soil with their Truck mounted unit to restore that deepdown fresh and colorful look that made you select your carpets in the first place.

it may go away
