CARPET CLEANING

453-5668

Call us today! Budget's trained specialists with a modern, truck-mounted steam cleaning plant will come right to your door. Pure and efficient steam is pumped from the truck into your home where it goes to work on your dirty carpets. Then the soiled moisture is returned to the truck. This means no fuss and no muss in your home. Steam is quick, pure and safe for the fibre and colour of your precious carpeting. It will effectively remove harmful and dulling residues left by conventional chemical cleaning methods.

Quinn Professional Carpet Care Ltd.

There Is Only ONE Way To Clean Your Carpets

THE "Professional" WAY

WHY?

Because:

a) We believe that you **MUST**
'WASH' first (and our special
shampoos are gentle, have
germicides and color brighteners)

And:

b) You **MUST** then RINSE IT CLEAN
(our incredible second step does just that)

Why are our PRICES so very LOW?
Why can we give a Written Guarantee?
