MORE INSTANT COFFEE USED

Canadians are drinking less coffee, or at least using fewer beans, than in the late 1940's. Part of the drop is due to introduction of instant coffee during the 1950's. Instant products now make up nearly one-fifth of total coffee consumption.

If your business is not completely represented in the **YELLOW PAGES** you may be missing your share of the business in your line.

NICE SNACK
 Celery stuffed with cream cheese or peanut butter makes a delightful snack.
