Don't Know Your Postal Code

Ask Your Local Postmaster

To assist you in conveniently obtaining the Postal Codes of others, Postal Code Directories are located in Post Offices and Postal Stations in your area. When you next visit your post office, use the opportunity to obtain any Postal Codes needed.

The Standard Letter . . . It's as easy as 1-2-3!

The Standard Letter means the best possible level of postal service — and the most economical postal rates. The Standard Letter — your best value.

1. Size

Envelope must be rectangular and fall within sizes shown:

2. Thickness

Thickness not to exceed 5 mm (3/16").

Changing Address?

1. The Postal Code is part of the street address, so leave your old code behind — there's a new one waiting at your new address. To find out what your new code will be, call your local Postmaster. The best time to call is as soon as you know your new address.

When you move, make sure that your mail moves with you!

2. Canada Post will provide you with as many Change of Address Announcement Cards as you need. Simply fill them out and mail them to everyone who sends you mail: friends, relatives, magazines, utility companies, banks, credit accounts, etc. You'll enjoy uninterrupted mail service if everyone knows your new address (including Postal Code).

3. For a small service fee, Canada Post will automatically redirect your mail to your new address, beginning the day you move in. Remember, though, that this service doesn't notify your correspondents of your new address; use Change of Address Announcement Cards for that.

Change of Address Announcement / Annonce de changement d'adresse

Please change my mailing address effective _____

veuillez changer mon adresse postale à compter du _____

Name (block letters) _____

Nom (en majuscules) _____

D J M Y

3. Addressing

The Forward Address must include the Postal Code.

Your Return Address goes here. And don't forget to include your Postal Code. It helps others to know your code.

The Forward Address, including the Postal Code, goes here. The Code should appear as the last item of the address, on a line by itself.

Leave at least a 19 mm (3/4") blank space along the bottom of the envelope for machine handling.

**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once—
promptness often prevents loss of a
customer.

You can build closer relations with
customers.

You can use tact in delicate situations.
And because men talk more freely
than they write, you can frequently
trace the real reason for the com-
plaint and prevent similar complaints
in the future.
