**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once promptly often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because men talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

WINTER DRIVING

A couple of sandbags in the trunk is a good idea in winter — they add weight and the sand can also be used to give you traction on ice.
