Two friendly telephone habits . . . quick to answer when your telephone rings; slow to hang up when you call someone who does not immediately respond. When calling others, remember that the called person may be almost there . . . so wait a few seconds longer.

SCRATCHED WOODWORK

One way to repair deeply scratched woodwork is by filling the scratches with a mixture of fine sawdust and spar varnish. After this filling has hardened completely, smooth it down with fine sandpaper.

Why not check into the sales-building possibilities of the Yellow Pages? Call the business office for information about advertising in the Yellow Pages. Your advertisement in the Yellow Pages reaches prospective customers when they are ready to buy. When they know what they want — but not where to get it — they turn to these Yellow Pages.

AUTHORIZED
Sales & Service

When you want to know who sells a certain trade-marked or branded article or where to secure authorized service, look for the name of the product or service or for its trade-mark under the heading which describes it in the

Yellow Pages

Authorized dealers are listed under the trade name or trade-mark heading.

SURVIVAL KIT

Make your own winter survival kit from things around the house. A flashlight, shovel, gloves, blanket, scraper and brush, matches and a candle should be included. It is also a good idea to pack flares, booster cables, traction pads and a first-aid kit.
