### 4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Don't forget to plan for  
concealed telephone conduit  
and convenient locations  
for telephone outlets  
when you build your new  
home. These built-in tele-  
phone facilities add real  
value to a home yet their  
cost is very small if they  
are installed during  
construction.

## YELLOW PAGES"

Behind on orders? Let  
handy YELLOW PAGES  
introduce the suppliers  
you need. It's fast convenient.

Wise buyers say  
there's nothing like the  
YELLOW PAGES of your  
telephone book for getting  
in touch with almost every-  
one around who sells  
things, fixes things, does  
things. Try the YELLOW  
PAGES once . . . you'll use  
them often.

4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE  
You can talk over matters at once.  
Promptness often prevents loss of a  
customer.  
You can build closer relations with  
customers.  
You can use tact in delicate situa-  
tions. And because people talk more  
freely than they write, you can fre-  
quently trace the real reason for the  
complaint and prevent similar com-  
plaints in the future.
