Concerning personal injury cases, we provide litigation services on a percentage of award basis (contingency fee), or on an hourly basis if you prefer. RONALD G. CUMMINGS and DONALD J. ANDREWS have restricted their practise to personal injury work, having 30 years and 21 years experience respectively. They have successfully argued Canadian and British Commonwealth precedent setting personal injury cases in Alberta, British Columbia, and in the Supreme Court of Canada. In cases involving paralysis, they have successfully represented Canadians injured overseas together with English and American citizens injured while in Canada.

BEV LARBALESTIER has 16 years experience and has additionally appeared in the Supreme Court of Canada and Alberta court levels in this area of the law.

**AWARDS:**

In very serious injury cases at least 2 lawyers appear in court for you, and our out-of-court settlements, or court awards have approximated \$5,000,000.00 in lump sum cash payments, and as high as \$30,000,000.00 in structured settlement, tax-free, payments over a lifetime. 4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
