4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

When you can't shop in person use the **YELLOW PAGES** of your Telephone Directory to locate dealers and **SHOP BY TELEPHONE**

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Put more sell in your selling day — with an advertisement in the Yellow Pages, you can reach more prospective customers by advertising in this handy buyer's guide. Thousands of people regularly use the Yellow Pages as an answer to their buying needs. If you have a product to sell, or a service to offer, here's the place to tell your prospects about it.

When you are not sure of a number, it is always better to refer to the directory.
