Don't forget to plan for  
concealed telephone conduit  
and convenient locations  
for telephone outlets  
when you build your new  
home. These built-in tele-  
phone facilities add real  
value to a home yet their  
cost is very small if they  
are installed during  
construction.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

LONG DISTANCE CAN IMPROVE YOUR COLLECTIONS AT LOW COST  
You talk with the person in authority.  
You can handle situations too delicate to handle in writing.  
You get the real reasons for non-payment.  
You can settle complaints . . . make adjustments.
