## 4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

## PROFESSIONAL AND PERSONALIZED SERVICE IN ALBERTA (FIRM FOUNDED IN 1915)

### PERSONAL INJURIES:

- Personal Injuries, however caused;
- Spinal Cord Injuries - quadraplegia and paraplegia;
- Death of a family member;
- Amputation; Burns; Disfigurement; Cervical injury (Whiplash)
- Closed head injury (brain injury) and psychological injury;
- Back injury, arm, knee, hip and leg fractures; internal injuries;

**OTHER SERVICES:** The firm also provides services of one of our senior lawyers - Frank Mackay (23 years experience) and as well George Somkuti - in corporate law, real estate (buying and selling a home or business), estates, wills, and commercial matters.

### LAWYER EXPERIENCE AND FEES:

Concerning personal injury cases, we provide services on a percentage of award basis (Contingency fee), or on an hourly basis if you prefer. RONALD G. CUMMINGS and DONALD J. ANDREWS have restricted their practice to personal injury work, having 32 years and 24 years experience, respectively. They have successfully argued Canadian and British Commonwealth precedent setting personal injury cases in Alberta, British Columbia and in the Supreme Court of Canada. In cases involving paralysis, they have successfully represented Canadians injured overseas together with English and American citizens injured while in Canada. BEV LARBALESTIER has 18 years experience and has additionally appeared in the Supreme Court of Canada, and all Alberta court levels in this area of the law. All firm lawyers have trial court experience.

### AWARDS:

In very serious injury cases, at least 2 lawyers appear in court for you; out-of-court settlements and court awards have approximated \$5,000,000.00 in lump sum cash payments, and as high as \$30,000,000.00 in structured settlement, tax-free, payments over a lifetime. Awards vary and are dependent upon severity of injury, duration of loss, and "heads" of damage applied by us.

**REFERENCES AVAILABLE:** Severely injured clients have offered to provide a firm reference. A brochure of recent case results is available.

### 4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.  
You can build closer relations with customers.  
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
