**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**  
You can talk over matters at once. Promptness often prevents loss of a customer.  
You can build closer relations with customers.  
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

**4 GOOD REASONS FOR  
 HANDLING COMPLAINTS  
 BY LONG DISTANCE**  
 You can talk over matters at once.  
 Promptness often prevents loss of  
 a customer.  
 You can build closer relations with  
 customers.  
 You can use tact in delicate situa-  
 tions. And because people talk more  
 freely than they write, you can fre-  
 quently trace the real reason for the  
 complaint and prevent similar com-  
 plaints in the future.

IMAGINE - There's a cause for everyone. Look for ways you can volunteer your time.

Telephone service is a friendly service. The people who operate and maintain it take a genuine satisfaction in serving you pleasantly and well. People who use the telephone a great deal find that friendliness is an instinctive habit. The telephone helps folks to know each other better.
