ADVERTISING INFORMATION

Telus Yellow Pages™ advertising is an efficient and effective way of reaching your customer. It is in virtually every home, store, hotel, & office, making it available 24 hours a day, 365 days a year. Most importantly, your potential customer uses the Yellow Pages™ - 9 out of 10 adults consult the book at least 34 times annually. Studies also show that over 90% of references to the Yellow Pages™ followed up with a phone call, visit or letter.

ADVERTISING INFORMATION

Telus Yellow Pages™ advertising is an efficient and effective way of reaching your customer. It is in virtually every home, store, hotel, & office, making it available 24 hours a day, 365 days a year. Most importantly, your potential customer uses the Yellow Pages™ - 9 out of 10 adults consult the book at least 34 times annually. Studies also show that over 90% of references to the Yellow Pages™ followed up with a phone call, visit or letter.

For Those Who Seek The Finest

Rita's Home Furnishings

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Every employee of the telephone company carries an identification card. We suggest that you refuse access to your premises to anyone who represents himself as from the telephone company, but who cannot so identify himself.

Need A Product Or Service For Your Office? Your Shop? Your Plant? Your Store? Your Factory? Your Mill? Shop The "Yellow Pages" And Find What You Need.

Have you tried the handiest shopping centre in town? It's right at your fingertips — the Yellow Pages™ of your telephone book. Quick "Yellow Pages" have solved many a buyer's problems. Let them help you get in touch with almost everyone you need who sells things, does things, fixes things.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.
