Tell the ready-to-buy people about the products and services you sell.  
Advertise in the **YELLOW PAGES™**. Display the brand names of the products you sell and repair. Make it easier for people to buy from you.

Results obtained through **YELLOW PAGE™** advertising are greater than can be obtained through similar expenditures in any other form of advertising.

Don't open your door to strangers! When someone claims to work for the phone company, ask for identification.  
For your safety, Telus employees are required to carry a card that tells you exactly who they are.
