Cummings Andrews Mackay

Injury Lawyers

For over 35 years, Cummings, Andrews, Mackay has served the financial needs of thousands of victims of bodily injury and death resulting from vehicle and other accidents.

We pay all legal expenses while our clients' cases progress. You will pay us nothing unless your case is successfully finalized. We do NOT act for insurance companies or defendants; we ONLY act on behalf of victims whose injuries may include:

- Quadriplegia ■ Paraplegia ■ Amputation ■ Internal Injuries
- Fractures ■ Brain Injury ■ Death ■ Burns ■ Whiplash
- Neck and Back Injuries ■ Any other form of Injury

We Listen ■ We Care ■ We Get Results

■ Court awards

Awards vary and are dependent upon many factors including severity of injury, duration of loss, and 'heads' of damage applied by us. Our out-of-court settlements, and court awards, have reached \$5 million in lump-sum payments and \$30 million in structured settlement payments (which are tax-free monthly and lump-sum payments for life).

■ Our policy

Our 8 full-time bodily injury lawyers and 15 support staff represent and assist ONLY injured persons. Serving you and your family is our priority. Hospital and in-home consultations can be arranged.

■ We are a full-service civil law firm

Our two solicitors, having combined experience of 37 years, can handle your land, business, and estate matters.

Underground parking is available at the City Library (directly across the street) and at Tilden or Edmonton Centre.

FREE Initial Interview

■ Legal fees: We invite you to compare our extensive experience, results, and rates with any firm.

We appreciate that when a family member is injured or dies in an accident, the injured person or remaining family members often cannot afford to pay a lawyer. We are hired on a percentage basis. We must be successful in order to be paid. You pay nothing to us unless your case is successfully finalized. An initial interview to determine how we can assist and serve your needs is FREE of charge.

■ Important advice to potential clients

The law now permits you to bring action against family members who operate a vehicle carelessly. The vehicle owner's insurer must pay the injured family member in proper cases. It is in your family's best interest to ensure your policy has an "Underinsured Motorist Endorsement (S.E.F. 44)" for \$1 million or more. The annual premium for this endorsement is less than the cost of one restaurant meal.

■ A note to our colleagues in other law firms

In difficult and expensive injury cases, we will handle the file for your firm and clients on a negotiated basis.

WEST CENTRAL LOCATION

Injuries can change your whole life. They can rob you of your mobility. Your career. They can cause pain. They can erase memories. They can take away a bread winner, a care giver.

Money can't cure anything. But it can help rebuild a life after a serious injury. Therapy, re-education, counselling, personal care, the provision for barrier-free housing — these can make the difference between regaining a satisfying productive life after an injury, or suffering dependence, discouragement and frustration.

There are all kinds of success stories. Courageous people have overcome some of the most devastating injuries. But it takes more than a brave spirit. It takes money, too.

Count on Experience
Victims of injury need help from skilled lawyers if they are to gain the compensation they need and deserve. At Sulyma Stewart, our lawyers have a combined total of nearly 50 years of experience in the Alberta justice system. We take your case through the legal process efficiently and without delay.

We have obtained for our clients tax-free, life-time payments providing in excess of \$16 million over the client's normal lifespan. Obviously compensation varies according to the severity of injuries, but at Sulyma Stewart we have a reputation for getting results.

Finding the experts
We know the kind of experts it takes to help prove your case. We have access to a variety of respected specialists who provide informed effective testimony.

What about fees?

Sulyma Stewart knows that most injured people and their families don't have the ready funds to fight a legal battle. That's why we will work on a percentage basis. We get paid after you win. When experts must be retained, special arrangements can be made to allow you to defer those costs, too.

Not all the help you need comes from the legal system

We are neither social workers nor counsellors, but we are often able to assist clients in finding the community resources needed to begin the journey to new independent lives.

Sulyma Stewart — Your choice for results
If you or someone near you has suffered an injury, contact Sulyma Stewart and arrange for a free consultation. Our offices are accessible. So is our service.

Call today for your free consultation.
Home and hospital visits available.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.
You can build closer relations with
customers.
You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.
