Don't open your door to
 strangers! When someone
 claims to work for the
 phone company,
 ask for identification.
 For your safety,
 Telus employees
 are required to carry
 a card that tells you
 exactly who they are.

An ISO 9002
 Registration means
 a lot to our company.
 And to yours.

Executrade is among the first of independent
 human resource companies in Western Canada
 to receive the ISO 9002 Registration. It means
 that our company has an internationally-
 recognized standard for quality. When we set
 out to find the absolute best professional for
 your company - be it senior management or
 payroll services - we find them.
