James Brown's sports career ended 34 years ago when he suffered a broken neck in a head-on collision with an uninsured motorist. He understands the pain and suffering caused by tragic accidents and has hand-picked a team of experienced professionals, including former insurance defense lawyers, committed to assisting injured persons and their families.

"If you are seriously injured I will personally meet with you to answer your concerns - without obligation"

WE HANDLE ALL ACCIDENT CLAIMS INVOLVING INJURY OR LOSS OF LIFE
Auto/Truck Snowmobile ATV Farm Vehicle Motorcycle Boat Pedestrian Bus/Train

Serving Southern Alberta Clients Throughout Alberta from Offices in Edmonton and Calgary

Cummings Andrews Mackay

Injury Lawyers

For over 35 years, Cummings, Andrews, Mackay has served the financial needs of thousands of victims of bodily injury and death resulting from vehicle and other accidents.

We pay all legal expenses while our client's cases progress. You will pay us nothing unless your case is successfully finalized. We do NOT act for insurance companies or defendants; we ONLY act on behalf of victims whose injuries may include:

- Quadriplegia ■ Paraplegia ■ Amputation ■ Internal Injuries
- Fractures ■ Brain Injury ■ Death ■ Burns ■ Whiplash
- Neck and Back Injuries ■ Any other form of injury

We Listen ■ We Care ■ We Get Results™

■ Court awards

Awards vary and are dependant upon many factors including severity of injury, duration of loss and "heads" of damage applied by us. Our out-of-court settlements, and court awards, have reached \$5 million in lump-sum payments and \$30 million in structured settlement payments (which are tax-free monthly and lump-sum payments for life).

■ Our policy

Our 7 full time bodily injury lawyers and 15 support staff represent and assist ONLY injured persons. Serving you and your family is our priority. Hospital and in-home consultations can be arranged.

■ We are a full-service civil law firm

Our two solicitors, having combined experience of 39 years, can handle your land, business, and estate matters.

**Our Experience
Is Your Guarantee™**

■ Legal fees: We invite you to compare our extensive experience, results, and rates with any firm

We appreciate that when a family member is injured or dies in an accident, the injured person or remaining family members often cannot afford to pay a lawyer. We are hired on a percentage basis. Despite our extensive experience, our percentage fee is competitive with, and often lower than, other law firms.

■ Important advice to potential clients

The law now permits you to bring action against family members who operate a vehicle carelessly. The vehicle owner's insurer must pay the injured family member in proper cases. It is in your family's best interest to ensure your policy has an "Underinsured Motorist Endorsement (S.E.F 44)" for \$1 million or more. The annual premium for this endorsement is less than the cost of one restaurant meal.

■ A note to our colleagues in other law firms

In difficult and expensive injury cases, we will handle the file for your firm and clients on a negotiated basis.

ACCIDENT LAWYERS

We Have Restricted Our Practice to Plaintiff Personal Injury Litigation

HAVE YOU BEEN INJURED?

If so, you should seek prompt legal advice. Do not settle with the adjuster without detailed medical evidence, a knowledge of what your claim is worth, and experience in negotiations. You may be entitled to compensation for your pain and suffering, loss of housekeeping capacity, out-of-pocket expenses, loss of income, and medical care costs.

EXPERIENCE:

Our firm has experience in thousands of injury accident claims, including:

Motor Vehicle Accidents	Pedestrian Injury Cases
Motorcycle and Bicycle Accidents	Slip & Fall Injuries
Fatal Accidents	Product Liability Cases
