"When you need a dentist, you want one who takes the time to get to know you and understand your needs.

In these times of fast food and rushed service, we try our best to keep our office just the opposite. Please give us a call and change the way you visit the dentist forever."

Dr. Perry Kreway and Staff.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
