Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Enriching Lives...

At TELUS, we believe access to the educational riches of the Internet should be available to every elementary and secondary student in Alberta. That's why we're using the TELUS Bright Futures Foundation to offer TELUS World Learning free to every eligible school in the province.
