**If an injury has  
turned your world  
upside down,  
our skilled lawyers can help  
set it right.**

**Injuries** can change your whole life. They can rob you of your mobility. Your career. They can cause pain. They can erase memories. They can take away a bread winner, a care giver.

**Money** can't cure anything. But it can help rebuild a life after a serious injury. Therapy, re-education, counselling, personal care, the provision of barrier-free housing – these can make the difference between regaining a satisfying productive life after an injury, or suffering dependence, discouragement and frustration.

There are all kinds of success stories. Courageous people have overcome some of the most devastating injuries. But it takes more than a brave spirit. It takes money, too.

#### **Count on Experience**

**Victims of injury** need help from skilled lawyers if they are to gain the compensation they need and deserve. At Larbalestier Stewart, our lawyers have a combined total of over 60 years of experience in the Alberta justice system. We take your case through the legal process efficiently and without delay.

We have obtained for our clients tax-free, life-time payments providing in excess of \$16 million over the client's normal lifespan. Obviously compensation varies according to the severity of injuries, but at Larbalestier Stewart we have a reputation for getting results.

#### **Finding the experts**

We know the kind of experts it takes to help prove your case. We have access to a variety of respected specialists who provide informed effective testimony.

#### **What about fees?**

Larbalestier Stewart knows that most injured people and their families don't have the ready funds to fight a legal battle. That's why we will work on a percentage basis. We get paid after you win. When experts must be retained, special arrangements can be made to allow you to defer those costs, too.

#### **Not all the help you need comes from the legal system**

We are neither social workers nor counsellors, but we are often able to assist clients in finding the community resources needed to begin the journey to new and independent lives.

#### **Larbalestier Stewart – Your choice for results**

If you or someone near you has suffered an injury, contact Larbalestier Stewart and arrange for a free consultation. Our offices are accessible. So is our service.
